EPA will be able to do the in person briefing in Houston; however, not until the afternoon (due to resources)

-Will this be a multi-agency briefing, or just epa?

-Do you have a list of the other elected officials who will attend?

Hi Troy,

Per our conversation, Senator Cornyn would like an EPA briefing on the overall Harvey and Arkema chemical plant situation on Monday afternoon. Senator Cornyn's Regional Director for Houston, Jay Guerrero, is the best POC on this. He can be reachedt [Jay\\_Guerrero@cornyn.senate.gov](mailto:Jay_Guerrero@cornyn.senate.gov) or 713-572-3337. It is my understanding, there will be other agencies there as well.

Thanks so much for your help!

Best,

Laura
